## Quality Sweatshirts... It's our Mission

Building on our roots in the action sports industry since 1987, Independent Trading Company is established as a leading manufacturer and supplier of high quality blank apparel for Screen Printers and Brands all over the world. Our collection of blanks, ranging from Sweatshirts to Performance Fleece, Jackets, and Tees is readily available in over 55 styles with a wide range of colors. All styles are produced in high quality fabrics for supreme results when printing or embellishing. We provide extensive at-once inventory in two locations, California and Pennsylvania, as well as distributors throughout the USA. In addition to domestic distributors, we also have distributors in Canada, Australia, Chile, Germany, Japan, The UK, and Brazil. It's our mission to supply the best quality products for our customers and develop long lasting relationships. Many of our best customers are our first customers.

# STOCK BLANK APPAREL

It's in Stock! Independent Trading Co. keeps large reserves of blank sweatshirts, jackets, & tees in stock so you can order what you need when you need it. Our customers' orders ship as soon as possible so they can be printed or embellished in a matter of days and placed at retail quickly. We are a trusted supplier to hundreds of the top clothing brands in the action sports and lifestyle apparel industry. Independent Trading Co. makes quality blank garments that brands feel confident embellishing with their label.

Independent Trading Company has manufactured custom apparel in China for 30 years and has headquarters in San Clemente, California and Ningbo, China. Our Production Managers in California & China are experienced and can assist with every step of the production process from product development to delivery. We guarantee high quality and consistent manufacturing, on time delivery, great customer service, and competitive prices. We offer an endless array of design styles and a range of fabrics such as jersey, French terry, sherpa, polyester fleece and trends like marled fleece, yarn dye, slub, and many different wash treatments. When it comes to knits, we have yet to be presented with something that is outside our capabilities. We have added a woven's factory to answer the growing needs and trends enabling us to produce everything from flannels to denim or technical jackets.
